Alphabet Stamp Sets

Soap Impressions alphabet sets include a set of metal letters (both upper and lower case), numbers and punctuation marks. There are several each of commonly used letters (e.g. the letter "A") and a lesser quantity of ones that are not used as frequently. Each set comes with a letter holder that holds one line of letters. You can place about 10-14 letters and spaces in the letter holder with the 18 and 24 pt. sets.

The capital letters in 18 pt. fonts are about 3/16" high; for 24 pt. fonts, they are about 1/4" tall and for 36 pt., they are 3/8" tall.

Prices are \$60.00 for 18 pt., \$70.00 for the 24 pt. and \$135.00 for 36 pt. There are a few other styles that can be special-ordered. There is an additional charge of \$15.00 for special orders. We do not stock the 36 pt. sets, but will order them for you.
